Dear Colleague,

The **Institute of Science and Technology Austria (IST Austria)** is inviting highly qualified **bachelor's** or **master's** students to apply for the ISTScholar PhD program. We offer **fully-funded PhD positions** in mathematics, physics, computer science, data science, biology, and neuroscience in a world-class research environment on the outskirts of Vienna. The list of specific research topics can be found at the end of this email.

We would appreciate it if you could forward the information contained in this email to interested students. **The application deadline is January 8th 2017** (<http://phd.ist.ac.at>), and we are hosting a **Student Open Day next Friday, November 25th** (register at: <http://ist.ac.at/studentopenday>).

Thank you for your help,

Yours sincerely,

Hania Köver, Ph.D.

Head of the Graduate School Office
